## Laughlin 600

Our upcoming ISM Destination Adventure Ride is set for Easter weekend and promises to be the best ride yet. The ride will start at Fisher's Landing Resort in Yuma, AZ and go straight to their destination in Laughlin, NV. Staying in Laughlin for the night, they will get a good night's rest, (yeah right) and start back up the next morning. From Laughlin, they will be making their way to Havasu AZ, stopping along the way at old mine shafts and ghost towns on their way to Parker, AZ, where they will spend the night at the Blue Water Casino. The last day they will head straight back to Fisher's Landing. In all, the ride will be approximately 600 miles, round trip.
